PRESIDENTS MESSAGE

Glinda Pareso

APRIL 2023

We had a great meeting at Catfish Cabin in Lumberton on April 4, 2023, with 47 members and 4 guests attending the membership meeting. I would like to welcome our newest members: Chris & Stacie Cormier and Wes Spincic to the Tri-City Corvette Club. Please take the time to introduce yourself to our newest members and welcome them to the club. Also, I wanted to thank Lilly Leis for attending the meeting as a guest and the daughter of Eddie Leis.

We would like to congratulate Michael Frye for being selected as the Member of the Month for March. Michael organized the Buna Car Show to raise funds to make improvements to the Veteran Memorial in Buna. Also, I would like to thank Michael for inviting the TCCC to participate in the Red Bud Festival Parade. Thank you, Michael for all that you do for the club.

We have quite a few members who still need your thoughts and prayers. If there is anything the club can do for our members who are ill, please let us know. We will be there for you.

- ◆ I spoke with Mike White; his heart valve replacement went well, and he is at home and will start his physical therapy to recover from his surgery.
- ◆ Melvin Devaugh is healing well, and he is in the process of doing his physical therapy to become stronger and to recover from his open-heart surgery.
- ◆ Curtis Horn is recovering from his carotid artery surgery.
- ◆ Mike (Coach) Burgess has multiple fractured discs in his back from his accident, and we hope the fractures heal and that he starts feeling better soon.
- ◆ Keep those members in your prayers who are still having cancer or radiation treatments and are fighting the battle to become cancer free: Cathy Knott, Liz Hanley, and Sharlene Hammond.
- ◆ Buzz Long shared that he is healing from his first knee replacement, and will have his second knee surgery in a few months.
- ◆ Dave Pareso will be having major back surgery on April 17th. Dave, we will keep you in our thoughts and prayers for your surgery to be a success.

I just want to say thank you to the members who take the time and volunteer their Corvettes to drive individuals in the different parades. You really make their day special when they get to ride in the Corvettes in the parade. Also, it is a very impressive site for their families to see their loved ones being honored and riding in a Corvette in the parades.

(President's Message continued)

To begin with, I would like to thank Dave and Chris Pareso for organizing the fundraiser for the Southeast Texas Humane Society and hosting the Vettes for Pets. They did an outstanding job collecting over 1200 pounds of food and \$629 in donations to the Humane Society. Taylor was very excited, and wanted to thank all the TCCC members for the outstanding job at the fundraiser. Taylor shared that the amount of pet food collected will provide food for the animals for months to come. Thank you to all the members who attended the fundraiser for the Humane Society. We had 26 Corvettes attend and it was a great turnout.

VICE-PRESIDENTS COMMENTS

Roger Ross

Tri City Corvette Crew:

Without growth our club will not last, so this month I would like to begin with new members. At our last meeting the club voted to welcome Stacie Cormier, Chris Cormier and Wes Spincic to the TCCC family. Welcome aboard guys! It is great to have y'all.

To continue successful growth, we started the membership drive contest in January that will last to the end of the year. Remember that the person who invites the most people to the club this year will be recognized at the 2024 Banquet, and I am sure that the recognition will include some type of prize. For your invited person to count towards the contest, they must meet the following criteria:

1. They must own a Corvette.
2. They must attend a General Membership Meeting.
3. They must sign in the Guest Notebook and list you as their sponsor.

Although we want them to join the club, they do not have to for them to count towards your total. That's it, so get some of the club business cards and start sharing them with other Corvette owners you meet! Currently John Berry is leading the contest with 3 successful invitations.

The board also selected a new club member of the month for March. The member chosen was Michael Frye for all his work on the Buna Veteran's Memorial Car Show and the Buna Redbud Parade. Michael received 10 extra door prize tickets at the membership meeting. Congratulations Michael and thank you for your hard work!

Now let's talk about some past events! In case you missed what March had to offer, here are some highlights.

March 11th was the day of the aforementioned Redbud Parade. Fourteen (14) Tri City Corvettes participated in the parade to advertise the club and its good works. Special thanks again to Michael Frye for spearheading the clubs involvement in this event.

After the parade, a dozen Tri City Corvettes showed up at the Journey Church's first Show & Shine of the season. In total, the event drew more than 50 cars for display. The church volunteers served delicious barbeque links and a good time was had by all who attended.

The Nederland Heritage Festival Parade and Car Show were scheduled for the following Saturday, March 18th. Although the parade was cancelled due to weather, 6 TCCC Corvettes were entered in the car show. Congratulations to Darrin Nepinsky for bringing home the People's Choice Award!

March 25th was the date for the 38th Annual Spindletop Rod and Classic Car Show. The event had 168 cars registered with 12 of those belonging to Tri City members. Congratulations to my fellow winners Patricia McCullor, John Berry, Stacie and Chris Cormier for bringing home trophies in their respective classes. A special congratulations goes out to Joe Robles for winning a \$100 cash prize at the event.

On April 1st Board Member Dave Pareso (with a lot of help from Chris Pareso) hosted his first Vettes for Pets at the PetSmart store in Mid County. Twenty-six (26) TCCC members brought out their cars for the Show & Shine to help collect donations. The event resulted in 1216 pounds of dog & cat food being donated to the Southeast Texas Humane Society. If that wasn't enough, a sizeable assortment of pet supplies and \$629 in cold hard cash was also collected. Congratulations to all who participated and special thanks to Dave and Chris for putting it all together.

(Vice-President's Message continued)

Also on April 1st, 3 club members took their cars over to Orange to participate in the Orange Riverfront Car & Motorcycle Show. Congratulations to Karen Cauthen and Craig Horn for bringing home new trophies from that event!

As you can see, last month was loaded with fun opportunities for you to enjoy your car and your club! Now if you missed those events, be sure to check out the club's Facebook and Events pages (<https://tricitycorvetteclub.com/events>), because there are several more opportunities in the near future for you to join in. The spring is already packed full! Now.....if you don't use Facebook, e-mail or the internet, you can always call me directly at (409) 673-5447 and ask me personally what's happening in our area. I will tell you what I know.

Well.....there you have it! If you learn of any other events in the area that might interest the club, please contact John Berry or myself and let us know about them, so we can add them to the events pages.

Be sure to wish all the folks listed below a Happy Birthday or Happy Anniversary when you see them out and about this month.

Respectfully Submitted,

Roger M. Ross

The National Corvette Museum, located in Bowling Green, KY, is a world class facility that showcases the world famous sports car called the Corvette. My purpose, as your NCM Ambassador, is to provide our club with a two way communication link to the NCM. My mission will be that of receiving and disseminating the most current and correct information from the NCM and to convey that information to our club. I will be acting as the Museum representative and will be promoting and soliciting support for the NCM through promotional activities and encouraging other club members to join the NCM. Finally, I will serve as the voice of our Corvette club to the NCM communicating concerns, ideas and suggestions our club may have to the NCM.
