# PRESIDENTS MESSAGE

**Glinda Pareso**

**AUGUST 2022**

**Meeting:** The Tri-City Corvette Club (TCCC) August monthly meeting was held at Texas Star Bar & Grill in Beaumont on August 2, 2022.

We had a great showing of 47 members who attended the August meeting at the Texas Star Bar & Grill. We had a productive meeting, and I just wanted to say thank you for all the members who attended and participated in the August meeting. Your input and suggestions make a difference in our club. Thank You.

A big thank you goes out to Lisa Coon, the Manager of the Texas Star & Grill. She provided the room, tables, tablecloths, microphone, and podium at no cost to the club. Also, thanks to Chef Ray and his staff for providing us a Taco Bar Buffet that was excellent and had plenty of food.

If you missed the August meeting, you will have a chance to enjoy a better buffet at our September 6, 2022, membership meeting. The members voted on hosting the meeting again at the Texas Star Bar & Grill, and they also voted to have a buffet with an appetizer, a salad with two choices of dressings, three entrees, garlic bread and dessert for \$20.00 per person.

We had a guest attend the meeting, and we wanted to welcome Julio Gomez who was Ernesto Guantes' friend. Julio was visiting from Columbia, and Ernesto wanted him to see what the Corvette Club was all about.

We have quite a few members who still need your thoughts and prayers. If there is anything the club can do for our members who are ill or going through a rough time, please let us know. Take a moment and look at the minutes under Good News and Sad News and keep those members in your prayers. I wanted to say thank you to all the members for being patient and going through the bylaws and recommended changes and voting to approve the changes to update our bylaws.

I know everyone appreciated those members who brought door prizes to the meeting. We had a great raffle with lots of door prizes and \$117.00 split the pot that Dan Pareso won.

We enjoyed quite a few activities last month. I would like to thank Bill Hanley for providing the suggestion of going to Hurricane Tita's. I also wanted to thank John Berry and Roger Ross for hosting the run to Hurricane Tita's. Everyone had a good time, and it was a nice cruise. John & Roger have more activities planned for us in the upcoming months so stay tuned to the website or the email and we will forward the information.

(President's Message continued)

For the month of August, we have activities or events scheduled for every weekend, so please come and enjoy as many events as you can attend. Please check out our Tri-City Corvette Clubs Facebook page or our website to identify the events to attend. I will also send information out about the event by email.

For Saturday, August 13<sup>th</sup>, The Field of Giving invited the TCCC to attend their fundraiser; The Lemonade Stand Event. The funds raised will help with growing vegetables from their gardens and the food that is raised is given to homeless shelters to assist with feeding the homeless. They asked the TCCC to host a car show or a show and shine for them to help draw people in to attend their event.

The TCCC members also voted to provide a donation of \$500.00 to be given to The Field of Giving. The donation will be presented to them at the Lemonade Stand Event on August 13, 2022, from 10:00am to 2:00pm at 2805 Liberty Ave in Beaumont. We would like to have many of our members attend the car show. So, please come out and join us.

The last weekend of the month, Saturday August 27<sup>th</sup>, Roger Ross and John Berry will be hosting a TCCC's Run to Lake Arthur in Louisiana for dinner at a restaurant. More information to follow. Whatever event you can make and support will be great! We look forward to seeing and enjoying fellowship with everyone. Plus, we're looking at trying a few new events; like the first annual Halloween Party for the Tri-City Corvette Club. If you have additional ideas, please share them with one of the officers, and we will be glad to review the suggestion.

I appreciate each member of the Tri-City Corvette Club. Even the little things that you do for the club and that you do outside the club make a difference. I am truly blessed to have such great members, and I am proud to serve as your President. We have such a fine group of members who always go out of their way to help somebody out. Also, your Board of Directors are working very hard for the club so that we can have a great club, to grow our membership, and be active and involved in many different events.

Our next general membership will be held on September 6, 2022, at 6:00pm. The members voted to host the meeting at the Texas Star Bar & Grill. We will have a nice buffet at \$20.00 per person.

A Sincere Thank You,

*Glinda Pareso*

# VICE-PRESIDENTS COMMENTS

## Roger Ross

.Fellow Corvette Connoisseurs:

As the club continues to grow, it is very important to review our byLaws regularly. The new board took on that task immediately and some important changes were made. I believe that these changes will only better the organization. Apparently the membership agreed since all of the revisions received a positive vote.

Now let's talk about some past events! In case you missed them, here are some highlights.

On July 9th, 35 club members participated in the TCCC Drive & Dine to Hurricane Tita's in Anahuac. John Berry plotted an entertaining route and 21 Corvettes followed him. Corvettes, good friends, good food and a good time.....does it really get any better?

Twelve TCCC members made the trip to Bastrop to participate in the 2022 Corvette Invasion, which registered some 365 Corvettes for the event. The 8 TCCC Corvettes did very well bringing home 5 Top 100 Awards and 1 Best In Class Award. The TCCC Club Trophy was given to Mike Brink and his Captain America C8. Mike also has his own You Tube channel called "Brink of Speed". Check it out sometime. Of course, Sunday was spent on the Circuit of the Americas Formula 1 track. As always, it was a good time!

On July 16th, the Journey Community Church held their monthly Show & Shine. John Decker reported that the event had 33 cars, 7 of which were TCCC Corvettes, and that everyone seemed to enjoy the festivities and food.

As you can see, last month was loaded with fun opportunities for you to enjoy your car and your club! Now if you missed those events, be sure to check out the club's Facebook and Events pages (<https://tricitycorvetteclub.com/events>), because there are several more opportunities in the near future for you to join in. Now.....if you don't use Facebook, e-mail or the internet, you can always call me directly at (409) 673-5447 and ask me personally what's happening in our area. I will tell you what I know. ### **PRESIDENT**

Glinda called the meeting to order. She called for a moment of silence for all of those who have served and those currently serving in uniform. John Berry opened the meeting with a prayer. The membership recited the Pledge of Allegiance. All officers and board members were present with the exception of John Decker and Brad Metz who were unable to attend.

Glinda welcomed our guest, Julio Gomez. We had 47 members in attendance. We have one new member tonight, Ernesto Vega. He made a short statement and was welcomed with applause. He introduced Julio.

Glinda thanked everyone for coming and introduced Chef Ray. He made a short statement of how happy they were to have us come to their facility, and that he would work with us and address any of our needs or wants. Glinda also reported that the cost of the room, tablecloths, podium, etc. had again been waived for us. Glinda informed us at this time that we may want to opt for their buffet which would consist of an appetizer, 3 main dishes, salad with 2 dressing choices, tea/water and a dessert for \$20.00 per person. John Berry moved that we try this for our next meeting here, and Coach Burgess seconded the motion. The motion passed. Noone opposed. Glinda then asked if we would like to hold our September meeting at this location again. Coach Burgess moved we meet here again in September, Mike Frye seconded and the motion passed. Noone opposed.

### **GOOD NEWS/SAD NEWS**

Glinda requested we keep the following members in our prayers: Charlie Barron, Charlie LaRocca, Andrea Johnson, Coach and Phyllis Burgess, Isaac Barbosa, Artie Tucker, Judy Snowden and Angela Serafino. Also please keep Bella Resweber in your continuing prayers. Glinda recognized our members who drive quite a distance to attend our meetings and many of our events. Several drive up to 2 hours each way. Thank you. Glinda then called on the officers and board members for reports to the membership.

### **OFFICER/BOARD MEMBER REPORTS**

- **SECRETARY LIZ HANLEY:** Liz said she had received a copy of the Corvette magazine from the NCM for the club and offered it to any member who may not have received their copy. She asked the membership if they would like to have her read the minutes from the last meeting or, since they are published in our newsletter, would they like to adopt the minutes as published. Rod Johnstone moved we accept the minutes as published in the newsletter and Cecelia Mouton seconded the motion and the motion passed. Noone opposed.
- **TREASURER MONA BERRY:** Mona reported that the check had been written and sent to the NCM to cover our dues for year 2022-2023 for 60 members. She gave a summary of all expenditures and any deposits. She stated she is still learning the system but progressing well, and that she will have a completed budget soon.
- **BOARD MEMBER JOHN BERRY:** John reported that the run to Hurricane Tita's was a huge success with 21 cars and 35 people participating. Food and place were great, and John thanked Bill Hanley for the suggestion. He mentioned that he was looking at a possible 1st Annual Halloween Party and will have more details at the September meeting. He is also looking at other possibilities for fellowship other than ride and dine which may include bowling, bingo, trivia night etc.. He also mentioned that we may be able to do a mystery dinner in October. John said he is always interested in hearing suggestions from the membership, so please give him any ideas you may have for activities.

- **PAST PRESIDENT MIKE WHITE:** Mike went over the contents of the new membership packets. They are almost complete. The pens we ordered came in, and he distributed them to the members present. The website has been cleaned up and updated. He urged everyone to check it out. He will be meeting with the hotel in about a month to finalize the contract for the car show. He informed the membership that our flyer is being updated to state that anyone staying at the hotel must book with the hotel directly to be eligible to receive a gift basket. ### [NCM Motorsports Park Improvements](#)

#### NCM Holley Tower

**BOWLING GREEN, KY, July 14, 2022** – Today, the National Corvette Museum announced plans for \$2.4 Million in improvements to the museum's Motorsports Park. In December of 2021, the NCM Motorsports Park was heavily damaged when an EF-3 tornado touched down in Bowling Green. The National Corvette Museum and its board of directors decided to leverage the unfortunate circumstances of the tornado to create opportunity. Instead of simply restoring the Motorsports Park to pre-tornado conditions, the National Corvette Museum is planning significant improvements to the park's facilities.

(NCM Corner continued)

National Corvette Museum President and CEO Sharon Brawner said of the planned improvements, “The National Corvette Museum, along with our board of directors, looked at the extent of the damage to the Motorsports Park and decided to find the silver lining in a really difficult circumstance. The improvements we have planned will take our already world-class racing facility to the next level, including much-needed indoor and outdoor event spaces, bar and restaurant offerings in our track observation areas, and upgraded garage facilities.”

The NCM Motorsports Park, which is located on 185 acres of property adjacent to I-65 in Bowling Green, opened in 2014. Designed by legendary race track designer Steve Crawford, the road course was created with input from Corvette Racing, resulting in a multiple, reconfigurable track layout with features from Le Mans. According to Greg Waldron, Executive Director of the NCM Motorsports Park, the planned improvements will allow track participants, observers, and other guests to experience a level of facilities on par with the excellence of the track itself. “We want all of the guests who visit the Motorsports Park to have an exceptional experience,” said Waldron. “With the addition of these new amenities and reimagined spaces, the Motorsports Park will be the foremost racing and karting destination in the Southeast.”

The NCM Motorsports Park will remain open during construction, and the project is currently slated for completion by early 2024. Visitors can currently enjoy C8 Corvette driving experiences, track rentals for personal vehicle driving and racing, and high-speed go-karts. The Motorsports Park also offers league racing and group karting in addition to corporate and private events. More information on the NCM Motorsports Park can be found at [MotorsportsPark.org](https://MotorsportsPark.org).

About The National Corvette Museum: Since 1953, the Corvette has been America’s Sports Car. The National Corvette Museum is a 501 (c) 3, not-for-profit foundation, serving as an educational and research institution with the mission of celebrating the Corvette’s invention and preserving the legendary automobile’s past, present, and future.
