Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the first Tuesday of each month. Our monthly business meeting usually incorporates a social time before and after the meeting. Our socials are always fun and are focused on getting to know one another. We have cookouts, day trips and weekend trips, and TCCC caravans to the National Corvette Museum in Bowling Green, Kentucky. We participate in tours, holiday parades, and homecoming events at various high schools. We also participate in various car shows. Club dues are \$50 per person per year and are paid annually by the June business meeting. These dues cover membership in the NCM and the cost of running the club. Club officers, board and committee chairpersons serve as volunteers.

PRESIDENTS MESSAGE

Mike White

FEBRUARY 2022

The attendance at the February meeting was very light due to the bad cold weather, the date being moved to a Thursday night, and some members being under the weather. We had 25 members and one guest, an old club member Kyle Gernentz. Good to see him again.

We have good news, Glinda Pareso who had reverse colostomy surgery, is doing better every day. Glinda still has a way to go to get back, but she is strong and will do well. The sad news is she has a mild case of Covid. Our prayers are with her.

Please continue to keep Artie Tucker in your prayers since he has been diagnosed with Stage 4 Neuroendocrine carcinoma, metastatic cancer. There will be a benefit for Artie at their business, Cotton Creek Winery on February 12th.

Keep Buzz Long in your prayers since his pacemaker insertion. He is at home recovering.

John Berry made a motion to donate the amount donated in 2020 to our charities. The income from our sponsors this year will cover the amount donated in 2020. Kim Merideth seconded the motion. The motion passed. A big thank you to John Berry for taking the lead as Activities Director. John has already started by scheduling a run to the Pickett House in Woodville February 26. Rod Johnstone and Shawn Bruno are working on this year's poker run, which will be April 30. Thanks to these guys for their hard work on this event.

Thanks to Brad Metz we have a new Grand Sport Sponsor - Extreme Detail. Brad also obtained a T-Mobile donation of \$1,000 for the TCCC Annual Corvette Show. T-Mobile is interested in expanding their advertisement in Southeast Texas. They have a van with games and a charging area that will be at our car show.

The Tri-City Corvette Club banquet will be Friday night, June 3. Please RSVP to Andrea Johnson by May 28. Thank you Andrea Johnson and Kim Merideth for organizing the banquet.

Also please pay your club dues before June 1.

Shawn and Misha Bruno have done so much for the TCCC. Rod Johnstone requested to list Bruno & George Winery as one of our Honorary Sponsors (similar to Fuzzy's). Shawn supports the Poker Run, they also host the bonfire and food for the TCCC, and Shawn is the MC for our Annual Car Show. The club voted to add Bruno & George Winery as a sponsor.

We have had a lot of past events lately and a lot of good events coming up, so please read Roger Rosses VP report in this newsletter. For details of the February 3, 2022 Tri-City Corvette Club Meeting, please read meeting minutes in this newsletter by Willa White. Since Glinda was still recovering, Willa took the meeting minutes. The minutes help the members understand the events at the monthly meetings if they are unable to attend.

Again I would like to thank all for attending the meeting and signing in every meeting. This will help us keep track of the perfect attendance awards to be given at the Annual Banquet on June 3.

VICE-PRESIDENTS COMMENTS

Roger Ross

I would like to start by recognizing Glenn Johnson for his outstanding work with the National Corvette Museum. When I first joined the club, I thought it was pretty cool that our little area in Texas was so well represented in Bowling Green by having an ambassador and an onsite banner to display our club. Then when Glenn was appointed to the Chairman of the Board of the Museum, I thought that was simply impressive. I mean a guy from a small town and a small club was going to be sitting in a very big chair. Glenn and Andrea have sacrificed a lot of their time to fulfill his duties and, let's face it with COVID, plant closures, computer chip shortages, tornados, museum personnel changes and anything else the last two years has thrown at us, you know it had to be a difficult time to hold that position. Glenn updated us at the last meeting on the museum and informed us that his term as chair has ended. So, I just wanted to thank him and congratulate him on a job well done. Thanks Glenn for representing us and shining a bright light on our little piece of the Corvette world.

January was an active month for the TCCC. Club members participated in a variety of events throughout the month.

The first event was the birthday drive-by for Bella. Bella is the 10 year old girl from Nederland with brain cancer. Her family is friends with the Judkins. Within days of her drive-by, she was scheduled to have a very serious surgery in Tennessee. We were recently informed that she lost her eyesight during that surgery. Hopefully one of the memories she will always be able to visualize is that string of beautiful cars lined up just for her. Dr. Seuss once said, "To the world you may be one person; but to one person you may be the world." We can only hope that we made a small difference in this sweet child's life. They are now planning a fundraiser for her. Once I have the info, I will get it out.

Next, John Decker joined the 409 Car Cruise and said that they had a great run. He recommended that other club members should participate in the next one.

A few of us participated in the 1st Faith United Methodist Church's Cruisin' Car Show. Despite the cold weather, the church had a good turnout. We need to congratulate John Berry for bringing home a "Best In Class" award. Each of us also received a very nice handwritten thank you note in the mail from the church for our participation.

A couple of us made a run over to the NRG Arena in Houston to check out the 2022 Houston Auto Show. All of the manufacturers had their newest vehicles on display for viewing. Unfortunately we did not get to see a new Z06, but we did learn that new cars are pretty and very expensive!

Several club members attended the benefit that was held at Cowboy Harley Davidson for Boss Burger's own Joe Oates. Joe spent several months in the hospital fighting COVID, but he is out now and recovering. We were able to speak with him briefly and he was visibly moved by the turnout and support. At the February 3rd meeting Coach Burgess was asked to collect money amongst the attending members to raise donations for Joe. Despite the light crowd, we were able to raise \$300 that Mike White will forward to Joe.

Now if you missed those events, be sure to check out the club's Facebook and Events pages (<https://tricitycorvetteclub.com/events>), because there are several opportunities in the near future for you to join in. Here's a few upcoming events for your calendars.

Also, don't forget to go on the events page and get registered for the 28th Annual TCCC Corvette Show in May, 2022. It will be here before we know it!

I believe that doing things with our cars is why we all joined the club, so I have made it my personal mission to keep the Club Facebook page updated with any car related events in our area. If you learn of an event, feel free to add it to the page or send it to me and I will. If you're ever looking for an event, feel free to drop me a text or call and I will gladly let you know what I know. Involvement is the key to enjoying your membership in the club.

By the way, be sure to wish all the folks listed a Happy Birthday or Happy Anniversary when you see them out and about this month.

Respectfully Submitted,

The National Corvette Museum, located in Bowling Green, KY, is a world class facility that showcases the world famous sports car called the Corvette. My purpose, as your NCM Ambassador, is to provide our club with a two way communication link to the NCM. My mission will be that of receiving and disseminating the most current and correct information from the NCM and to convey that information to our club. I will be acting as the Museum representative and will be promoting and soliciting support for the NCM through promotional activities and encouraging other club members to join the NCM. Finally, I will serve as the voice of our Corvette club to the NCM Communicating concerns, ideas and suggestions our club may have to the NCM.
