Our monthly business meeting usually incorporates a social time before and after the meeting. Our socials are always fun and are focused on getting to know one another. We have cookouts, day trips and weekend trips, and TCCC caravans to the National Corvette Museum in Bowling Green, Kentucky. We participate in tours, holiday parades, and homecoming events at various high schools. We also participate in various car shows. Club dues are \$50 per person per year and are paid annually by the June business meeting. These dues cover membership in the NCM and the cost of running the club. PRESIDENTS MESSAGE

Glinda Pareso

JANUARY 2023

What a great year 2022 was for the Tri-City Corvette Club. Our club was extremely active this year. Thanks to John Berry for setting up events and coming up with new events to attend. We enjoyed and attended over 37 events and 9 membership meetings in the past nine months. That speaks volumes about our members who are outgoing, always willing to help and attend the events; which in turn makes Tri-City Corvette Club the Best of Southeast Texas. Also, I want to thank our members who take the time to talk to potential new members and share information about our club, our activities and our community/charity involvement. Our club has grown!

We have increased our membership with 11 new members into the club since June 1, 2022. As members, please take the time to introduce yourself to the new members to welcome them and help them to become acquainted with the club.

Our 29th Annual Tri-City Corvette Club Car Show is May 6, 2023. This is our big event for the year. It will take the entire club and all our members to be involved to make our 29th Annual Car Show the very best. Mike White will be hosting meetings soon for the Car Show Committee Members. If you have not volunteered to be on a committee, please sign up for one of the committees at our next membership meeting on February 7th.

Some of the areas we will need members to volunteer is help with making up the Goodie Bags and Gift Basket for our guests. We will also need volunteers for the Hospitality Night to serve food. We will need volunteers for the Judges also. We will need volunteers to assist with the Silent Auction, the drawing of Raffle and Ticket sales and the Bucket List Items. Also, to assist with parking, to assist with Setting Up & Tearing Down and there are so many more areas that we will need help. So, please make sure you volunteer for one of the committees.

Also, remember to go to our website and register early for the 29th Annual TCCC Car Show. Early registration will assist Jane Barron and Mona Berry's workload on the day of the car show.

Please keep those members who are going through hard times, those who are fighting cancer or illness, and those who are having family struggles in your prayers.

- * Please keep Baby Jett in your prayers as he goes through his second heart surgery January 11th. Keep his parents, Timmy & Melissa Roberts, his grandparents, Cathy & Ricky Knotts and all of their family in your prayers.
- * Please keep Buzz & Cathy Long in your prayers, as Buzz is having a Total Knee Replacement in January and three weeks later, he will have his second Total Knee Replacement.
- * Also, keep Liz Hanley in your prayers as she is fighting Breast Cancer and going through different testing to see what the next steps will be to take to help cure and eliminate the Breast Cancer. Liz & Bill you are in our thoughts and prayers.

(President's Message continued)

I wanted to share that I am very appreciative of the support of our Committee Members, our Officers, and our Board Members with their leadership, their ideas, and their involvement to make good things happen for the club. I just wanted to say thank you for all the hard work and support each of you do for the club.

Our next general membership meeting will be held Tuesday, February 7, 2022, eat & socialize at 6PM and meeting at 7pm. This meeting will be held at Sombrero's Mexican Grill, 2095 US 69 Access Rd N, in Nederland.

VICE-PRESIDENTS COMMENTS

Roger Ross

I would like to start with club growth. Tuesday night we voted in Eddie Leis and his yellow C5 as a new member. Welcome aboard brother!

Now.....don't forget that we started a new recruiting contest that will last to the end of the year. The person who invites the most people to the club this year will be recognized at the 2024 Banquet, and I am sure that the recognition will include some type of prize. For your invited person to count towards the contest, they must meet the following criteria:

1. They must own a Corvette.
2. They must sign in the Guest Notebook and list you as their sponsor.

Although we want them to join the club, they do not have to for them to count towards your total. That's it, so get some of the club business cards and start sharing them with other Corvette owner's you meet.

Now speaking of other Corvette owners, we have a tradition in the Corvette society called "The Wave". The wave simply requires us to wave at all other Corvette drivers when we pass them on the road. It is just to acknowledge that in the club or not, we are all still part of the same special family. The NCM Ambassador had a excellent write up on The Wave in our last newsletter and everyone should give it a read.

Now let's talk about some past events! In case you missed them, here are some highlights.

On December 3rd, 10 club Corvettes participated in the Buckner's Children's Annual Toy Run in Beaumont. Club members generously gave all of the children in attendance their very own Corvette rides. I can tell you that if you could judge Corvette efficiency by smiles, all of our tanks were full that day!

Seventeen Corvettes participated the KFDM/Fox 4 Annual Toy Fest on December 9. The cars caravanned to the studios and personally delivered the toys that each of you donated. Mike White did another excellent job handling the television interview for the club.

The next day 15 TCCC cars showed up at the PetSmart store to participate in the TCCC Vettes for Pets event with the Humane Society. We collected 1303 lbs. of dog and cat food. There was also a wide variety of pet supplies generously donated. The event was a huge success and hats off to Michael Merideth for organizing. Thanks Mike!

That same night, John Berry represented the club at the OATH's Annual Gala. He said that it was an awesome event and that after hearing the stories from the military veterans in attendance, he couldn't be more proud of the club for supporting this great organization.

On the 15th of the month 7 club members attended Bella Resweber's Christmas Party on Boston Avenue in Nederland. Bella is 11 years old and for the last year has been going through treatment for Pineoblastoma brain cancer. She has finished treatment but is having to travel to Texas Children's in Houston 4 to 5 days a week for other problems due to her treatment process. I am happy to say that after they removed the tumor, Bella was able to regain her eyesight. Being there with Bella, her family and her friends was unbelievably heart warming.

As you can see, last month was loaded with fun opportunities for you to enjoy your car and your club! Now if you missed those events, be sure to check out the club's Facebook and Events pages (<https://tricitycorvetteclub.com/events>), because there are several more opportunities in the near future for you to join in. Now.....if you don't use Facebook, e-mail or the internet, you can always call me directly at (409) 673-5447 and ask me personally what's happening in our area. I will tell you what I know.

(Vice-President's Message continued)

Well.....there you have it! If you learn of any other events in the area that might interest the club, please contact John Berry or myself and let us know about them, so we can add them to the events pages.

Be sure to wish all the folks listed below a Happy Birthday or Happy Anniversary when you see them out and about this month.

Respectfully Submitted,

Roger M. Ross

Also, thank you to Coach for arranging Tamara Jerrell as our guest speaker. Tamara thanked the TCCC for our support and shared information on the Southeast Texas Food Bank.

Membership Overview

Glinda shared when she took office on June 1, 2022, one of her goals that was set at the Board Meeting was to increase the membership by 10% between June 2022 and May 2023. 10% of 111 current members = 11 new members to add to the membership in the first year. From June 1, 2022, to January 3, 2023, which is about 9 months, we have inducted 11 new members into the club which includes our newest member, Eddie Leis. In addition, we have 3 or 4 people in the process of meeting the criteria to become members of the TCCC. We have met the goal of a 10% increase in membership in 9 months, and will exceed that goal by May 2023. *I want to thank all the members who take time to talk to potential members who own Corvettes, and thank you for sharing information about the great things that the TCCC does for our community and the fun events we host for our members. I think we have an awesome club.*

Referral Program

The Officers & Board Members developed a Referral Program for new members that will start this month, January 2023 and go through December 2023. Mike White shared that the new guest would sign in the guest book and identify who referred them to the club. Roger Ross also made business cards for members to hand to Corvette owners to become potential members of the TCCC. At our January 2024 Annual Banquet we will recognize members with the most referrals of new members.
