The National Corvette Museum, located in Bowling Green, KY, is a world class facility that showcases the world famous sports car called the Corvette. My purpose, as your NCM Ambassador, is to provide our club with a two way communication link to the NCM. My mission will be that of receiving and disseminating the most current and correct information from the NCM and to convey that information to our club. I will be acting as the Museum representative and will be promoting and soliciting support for the NCM through promotional activities and encouraging other club members to join the NCM. Finally, I will serve as the voice of our Corvette club to the NCM communicating concerns, ideas and suggestions our club may have to the NCM.
