Dues and donations are not tax deductible. We strive to promote exciting, safe & fun ways to enjoy our Corvettes. We hold business meetings on the first Tuesday of each month. Our monthly business meeting usually incorporates a social time before and after the meeting. Our socials are always fun and are focused on getting to know one another. We have cookouts, day trips and weekend trips, and TCCC caravans to the National Corvette Museum in Bowling Green, Kentucky. We participate in tours, holiday parades, and homecoming events at various high schools. We also participate in various car shows. Club dues are \$50 per person per year and are paid annually by the June business meeting. These dues cover membership in the NCM and the cost of running the club. PRESIDENTS MESSAGE

Mike White

MARCH 2022

We had a great turnout for the March Tri-City Corvette Club meeting. We had 53 members present. It was good to see members attending events and meetings. It was great to see Joel & Juanita Judkins at the March meeting.

Please continue to keep Artie Tucker in your prayers as he continues to battle Stage 4 Neuroendocrine carcinoma, metastatic cancer. Also keep Isaac Barbosa in your prayers as he continues his treatments for prostate cancer.

Again, I would like to thank all for attending the meeting and signing in every meeting. This will help us keep track of the perfect attendance awards to be given out at the Annual Banquet June 3, 2022.

We activated the renewal for membership on the website a little earlier this year so everyone could have a chance to pay their dues before June 1st. If you have a credit card set up for automatic renewal, it will give you that message. No action is required unless the credit card you set up is no longer valid. You can stop automatic renewal at any time and manually renew. Please update your information on the website.

Rod Johnstone and Shawn Bruno are working on this year's poker run, which will be April 30th. Thanks to these guys for their hard work on this event.

Upcoming Elections for Tri-City Corvette Club Officers and Board Members

If you are interested in becoming an officer or board member, please let us know. If you are an officer or board member and do not wish to run, please ask someone you think would like the job and nominate them. Nominees for officers will be at the May meeting. Elections for Officers and Board Members will be at the June meeting.

Please read Roger Ross VP report in this newsletter. He outlines many great events in the last few weeks, and some exciting events in the coming months.

For details of the March 1, 2022 Tri-City Corvette Club Meeting, please read meeting minutes in this newsletter by secretary, Glinda Pareso. This helps all our members understand what goes on in the monthly meetings if they are unable to attend.

Saturday May 14, 2022 will be our 28th Annual Tri-City Corvette Club Show. **Please let me know if you would like to be on one of the committees.**

VICE-PRESIDENTS COMMENTS

Roger Ross

To the membership:

The March meeting was packed! It was good to see so many there. Attending the meetings, following the facebook page & club website and reading the newsletter are the best ways to keep up with club activities and news. So stay involved!

We had a few events in February to talk about. The first was Fuzzy's Taco Trivia Night. We had 30+ members and family members participate in the festivities and everyone had a great time. We ate, drank and answered trivia questions for gift cards. Well, we answered the ones we knew. Plus it was a great way to support a club sponsor, who is always there for us. In the upcoming events you will see that we are planning on doing this again on March 12th. If you can be there, you should be there.

The club also participated in the Cotton Creek Winery's benefit fund raiser for Artie Tucker. Artie and his wife own the winery and he has been battling cancer. They had food, drinks, a benefit t-shirt sale, silent auction and a 50/50 drawing. The t-shirts even had a Corvette logo designed into them. Very cool! We had 10 or so members attend throughout the day, and I believe that more than \$20,000 was raised. That should help Artie big time!

Lynn and Judy Snowden also held their yearly Hill Country Cruise during the month. Lynn reported that they had 30 plus cars participate in the event, and everyone enjoyed the route, the weather and the food. If you've never participated in this event before, you should try to join next year. The views are awesome!

If you missed those events, be sure to check out the club's facebook and the TCCC Events page (<https://tricitycorvetteclub.com/events>), as there are several opportunities in the near future for you to join in. Now.....here's a few upcoming events for your calendars.....

I believe that doing things with our cars is why we all joined the club, so I have made it my personal mission to keep the club facebook page updated with any car related events in our area, and Bryan Serafino keeps adding to the website event page. If you learn of an event, feel free to add it to the page or send it to me and I will. If you're looking for an event, feel free to send me a text or call, and I will gladly let you know what I know. Involvement is the key to enjoying your membership in the club.
